BUSY WHARF

Once again, the water warmed by this marvelous early Spring beckons the sailor. This year, hopefully, it is for a long season. Sailboats and motorboats are sliding into the harbor at a quickening pace. Onlookers have a new show every 15 minutes. Spectators at the wharf on Wednesday were richly rewarded when a super, twin rainbow arched in after the storm. People rushed out of the Inn and all the other buildings. Cameras clicked to reward the rare show by nature.

Parents Petition for 2nd Vote

ON SCHOOL BUDGET
MATTAPOISETT SELECTMEN'S MEETING
JUNE 11, 1991-by VIRGINIA MORGAN

"Unfortunately, the voters spoke-not us", Selectmen Chairman John N. DeCosta commented to two groups of concerned citizens who expressed disappointment at the failure of the override votes at the June 4th special election.

Acting as concerned citizens, two mothers, one with a student in the elementary school system and the other a teacher in the Rochester School System, met with selectmen last Tuesday seeking a second vote of the June 4 special election when the override failed 726 to 745 (just 19 votes) for $95,828.25 for the operating expenses of the elementary school budget.

Dale Bradshaw, the teacher, and Kathryn Mahoney said they were missing the band and chorus concert at Old Hammondtown School that evening but that this loss of funding is very important to all the children. Mrs. Mahoney presented a petition signed by 270 voters (names will have to be checked by the town clerk) to support a second election of the school budget override.

Mrs. Mahoney explained they would like to have a decision before September when teachers return to school and programs begin. If cuts have to be made, she noted, the principals of both Center and Old Hammondtown Schools make suggestions to the school committee who then vote on specific cuts before September.

Selectman Daniel O. Mahoney told the

parents, "We are planning two special town meetings for later in the year when we have more information about the cherry sheet and state funding; probably not before September." He also emphasized there would have to be a special town meeting first before an election can be held. Mr. Mahoney said, "I'm not happy with the results of the override election; however, there is a process here - the voters did vote and they said no. I don't feel the selectmen should initiate a call for a revote, but you can go ahead with the process."

Executive Secretary Carol Adams explained the town clerk has a special form requesting a special town meeting with a required 200 registered voters' signatures to be certified before the selectmen can call a special town meeting.

On following the process, Town Clerk Lois K. Ennis said Dr. Mark Mahoney picked up the form to request a special town meeting.

Mr. Mahoney suggested that when the form is filled out with the wordage for the one-article warrant "you ask for a supplemental amount to the budget adopted at the annual town meeting". If the special town meeting turns the article down, there will be no need for an override election; however, if the article passes a special election will be called by the selectmen.

Town Clerk Ennis said if the form is certified as to the wording and 200 certified registered voters, the selectmen must call a special town meeting within 45 days.

On a similar matter, selectmen met with John Shockro, Recreation Director, and Charles Homer, Chairman of the Mattapoisett Youth Athletic Association (MYAA) to discuss the failure of the June 4 override election when the recreation budget was turned down 630 to 839 for $19,919.23 for salaries, wages and expenses

"What is the status of our budget?" asked

Mr. Homer. Chairman DeCosta said on the recreation budget, no funds after July 1, 1991. Mr. Shockro said that "we were never asked to cut down. Perhaps a cut of $2,000 might have helped pass the override." Finance Committee Chairman Robert Banz said $2,000 less would not have mattered.

Mr. Homer said, "It's discouraging. We've had a meeting of both boards to salvage the programs. The girls' softball games are coming up and we've started collecting fees of $25. per girl. We had hoped to buy uniforms this year but that will have to be canceled."

Mr. Homer continued, "We've had more kids involved this past year and also a lot of volunteer help. We make sure no more than two youngsters per family have to pay the fees. A lot of kids will be excluded. MYAA collects fees for Little League at $25. each, but the cost of running the program per player averages $36.25. Fund-raising makes up the difference. Without the recreation budget we would have to charge $42.25 per player; this cost would make playing prohibitive."

Mr. Homer asked about the $3,400 remaining in the fiscal 1991 budget earmarked mostly for salaries. "What happens to that money?" He was told it goes into the general funds. Selectmen said these monies cannot be encumbered for salaries after July 1; only if something is purchased before June 30. Salary monies cannot be moved to expenses

which umpires' payment would come under.

Selectmen agreed to check with Town Accountant Joseph Bolton on the use of current funds.

Mr. Mahoney said the answer to additional funding won't be known until fall. Selectman Paul E. Lambalot commented "we will give you our support if funds become available."

FinCom Chairman Banz said, "I know you feel the pangs of concern. We will have to consider all needs. There are a lot of things left wanting, but we need town meeting support. Selectmen take the final heat," Mr. Banz exclaimed.

On another matter, Mr. Banz recommended that anyone interested in serving on the Finance Committee send an application to the selectmen's office. One application has already been received, but two members are needed. Ruth Jenney's resignation will become effective June 30, and Elizabeth Kunz has indicated she does not wish to be reappointed.

Mr. Banz presented the board with a Long Range Business Plan the finance committee hopes to proceed with to chart the future needs of the community. "Department heads and chairmen have been notified and when data has been formulated, the business plans will be shared with the community. We need to know about capital expenses and their impact on taxes. A

four-year planning horizon will be supported by the Planning Board, Chairman William Matthews informed me", said Mr. Banz.

Mr. Banz noted the article in the town meeting warrant seeking funds of $16,427 as Mattapoisett's share of Chapter 90 work was postponed until a special town meeting when more is known about state funds; "then we will find out from Highway Surveyor Wesley N. Bowman what roads are in need of work."

In other business Selectmen:

VOTED TO AMEND the traffic rules and regulations to prohibit parking on the west side of Mechanic Street (near the NBIS BANK) from Route 6 south for 210 feet. Signs will be posted in the area.

MET WITH Dana Tripp, owner/operator of The Ice Cream Slip on the town wharf to discuss the possible restriction of "transient vendors" on the town wharves.

At a previous meeting Mr. Tripp complained of the vendors who sell and stay awhile then leave a mess for him to clean up. Selectmen agreed at that time to check with the state on the possibility of restricting these vendors.

Executive Secretary Adams explained she contacted a spokesperson at the state Division of Standards and was advised that the only way to limit or exempt vendors from soliciting in town would be by a town by-law. Selectman Mahoney said, after checking a state General Laws book, "I take exception to the by-law explanation", saying he felt the change could be made as a rule of regulation, not a by-law. The Hawkers and Peddlers license issued by the state permits a transient vendor to sell on a town way and the town wharves are town ways.

Mr. Tripp said it wouldn't be fair to keep

all vendors away but felt the number of them could be limited. He said last year he paid the town $1,459 in fees and electric bills; "these transient vendors get a $10. parking permit and I have to clean up after them."

Selectmen will check again whether these vendors can be limited and whether it is a by-law or a regulation the selectmen can make. Mr. Tripp will be notified when information is available.

HEARD A REPORT from Mr. Mahoney on the contract with Fairhaven relating to the sewer plant expansion. He said, "We recently have been negotiating for nine weeks, and we are essentially in accord. We have agreed on a 2 percent figure for administrative costs."

On the subject of sludge, "Fairhaven is satisfied with our town taking our own sludge to our landfill. We will have to use Fairhaven's water-tight trucks for a fee. We believe we can handle our own sludge recycled from private septic systems and from our sewer system treated at the plant."

RECEIVED A LETTER from John N. DeCosta, chairman of the Memorial Day Committee of Florence Eastman Post 280, American Legion, thanking the Fire Department, Police Department and board members for their participation in the Memorial Day Parade.

Center School Reunion, 1940

The 1940 class of Center School celebrated its fifty-first anniversary on Friday, May 31st.

Members from Florida, Maryland and Connecticut joined with those from this area to share memories of their elementary school days and to enjoy a buffet supper at the home of Beverly and Donald Farwell, hosts.

Highlight of the reunion was a tour of the school and an opportunity to see the changes there. Many recalled attending fifth grade in the auditorium while awaiting completion of the "new addition", the "middle building" of the present school complex.

Class members attending were Joseph Alves, John Atkinson, Isabel (Andrews) Monteiro, Dorothy (Averill) Couet, Catherine (Dexter) Mucha, Antonio Finocchi, Ralph Fuller, Carroll (Merchant) Chase, Beverly (Morey) Farwell, Gloria (Pedro)

award ceremonies in the school Library/Resource Center. A special reading aloud certificate was presented to every child who took part by VASE (Volunteers at Sippican Elementary) representative Jay Crowley.

This Read Aloud program covers two periods of five weeks during which each participating child takes home every week a different yellow bag containing five books provided for their reading aloud suitability. It is possible for each child to take home fifty different books.

Forty-eight students from Sippican's three kindergarten classes took part in this purely voluntary program and their family members read aloud to them for a recorded total of one thousand nine hundred and ninety hours.

The picture reproduced on the award certificates was loaned by Marion artist Peter Stone and each child's name was hand lettered by VASE volunteer Barbara Thrall.

The entire Read Aloud program is sponsored and funded by VASE through the proceeds of its autumn Flying High Book Fair.

THIS SUMMER AT YOUR MUSEUM

Your Museum and Carriage House will open for the summer on Friday, July 5th. The hours are 1:00-4:30 p.m. Tuesday through Saturday.

We have one of the finest small museums in the state. The museum comprises four major exhibit areas - two in the old Christian Church/Meeting House and two in the Carriage House addition. Almost everything in this museum has come from Mattapoisett homes and the exhibits include items from the mid-1700s to the 1930s.

Every summer we are amazed at the numbers of Mattapoisett people who come to the museum who have never been in the building before. This museum and its collection is a gem and should be on everyone's visiting list. Mattapoisett is special - and the museum will tell you why.

Three special events will be offered by the museum this summer. Two historic walking tours are scheduled, each taking a different route. The dates and times are Sunday, July 14, 6-7 p.m., and Monday, August 12, 6:30-7:30 p.m. The third event will be a garden tea at the museum in August. Our garden tea was so successful last year that we have decided to repeat it with some variations. Further details on both the walks and the tea will appear in the Presto. Reservations will be required for all events.

So, please plan to make us a stop on your summer schedule. Admission for non-members is $2.00 for adults, $.50 for children.

From Old Hammondtown

On Monday, June 3rd, Mr. Tobey Dills, a chemistry professor at SMU and a local storyteller, entertained Miss Aiken's 5th grade class. The students were delighted on a hot afternoon to sit back and listen to Mr. Dills tell a wide array of short stories and ghost stories. Mr. Dills used local settings and the autoharp to make his stories sound v-e-r-y realistic. The story of the "Bloody Head" was by far the most popular story with the children in the class.

Marion Summer Musical

The Marion Art Center's summer musical "Jacques Brel is Alive and Well and Living in Paris" will open on July 11th at 8:00 p.m. The show will run two weekends. Jacques Brel (1929-1978) was very popular and famous in France in the 1950s, 60s and 70s. He was a singer, actor, composer and director. Brel wrote over 500 songs that looked honestly, often humorously, always intensely, at the human condition. At one point Marlene Dietrich called him "the greatest singer in the world", and to others he was "a lyric genius". He could be compared to someone like Billy Joel today during his lifetime.

In 1965 Brel made his American debut at Carnegie Hall. Even though the concert was in French, the audience was swept along by the intensity of the music and Brel's performance. Shortly after that, Brel returned to Paris, but two Americans began creating the musical "Jacques Brel is Alive and Well...", the revue composed of 25 Brel songs and commentary translated into English by Mort Shuman and Eric Blau. The show opened in 1968 and has had enduring success. Judy Collins has recorded several Brel songs including "Sons of My Sons" which people may recognize.

The themes of "Jacques Brel..." are universal and quite relevant in 1991. The Marion Art Center has assembled an outstanding cast to perform in a cabaret setting this energetic and moving musical. Directed by Paul Sardinha, the group includes Paul Knipler, a professional singer, actor and musician; Chris LeBlanc, with a list of credits in dramatic as well as musical roles too long to list here; Duane Minton, a talented guitarist and singer; Judith Coykendall, a delightful soprano and veteran of MAC shows; Anne Schenck, singer, violinist, and comedienne back by popular demand; Corinne Paquin, a lyric soprano with exceptional range; and Nancy Rolli, a rich

Letters to the Editor

The membership of the Mattapoisett Seniors' Club wishes to publicly extol the Old Hammondtown School Jazz Band - 23 children strong - which entertained last Thursday afternoon at the club's June luncheon in St. Anthony's Church Hall.

The 5th and 6th graders, accompanied by their director, Stan Ellis, and Principal William Reed, displayed rare aptitudes and an unusual finesse, to the delight of the listeners.

Our grateful thanks to all who were involved.

DEAR UNWILLING MOTORIST:

Unwilling that is to slow down when overtaking a cyclist on a narrow road, especially when there is oncoming traffic.

It is appalling to see cars careen into the other lane to avoid a biker and to force the oncoming car off the shoulder so as to avoid a head-on collision. Or worse yet, to brush within inches of the bike at an excessive speed that would seriously maim the rider if hit.

Please realize the seconds lost in slowing down until the curve is rounded or the

LETTER TO THE EDITOR

"Education of our Children, must not come after the needs of Government or Trash Collection"

After having just seen the results of the June 4th special town elections to consider override questions, I must admit that I am saddened and disappointed in the townspeople of Mattapoisett. We again have put government and public services in front of the educational needs of our children.

Because the finance committee along with the selectmen chose to exclude just about all the daily running of public services and town government from overrides on the budget, even though they reflected higher increases than 2½%, the townspeople were forced to decide on what was left over. So that left garbage, public education, recreation and sewer studies to the voters' discretion.

Now herein lies the problem. In looking over the list of registered voters, it must be noted that a great percentage of the children enrolled in the public school system have parents who have not even bothered to register to vote. Where does this leave the decision making concerning education

and recreation? It leaves it in the hands of those voters whose children are not now using the school system or see no need for recreational services for our town. So the garbage wins and the children of Mattapoisett lose.

This situation concerns me because I am a registered voter and also an elected member of the Mattapoisett School Committee. I cannot walk away or bury my head in the sand and say it's not my problem as some of our voters and non-voters have chosen to do. Now, the School Committee must take a careful look at the budget and reduce it by anothe $95,000.00 without taking away from the quality of education that I truly believe our children deserve.

I sincerely hope that the concerned voters who fought for the increased funding of education and recreation continue to fight and support us in our decision making. But for those who chose to bury their heads or let their neighbors speak for them I can only say, you have only yourselves to blame for our children's educational future.

LETTER TO THE EDITOR

Again, our community has lost one of its GREAT men. Eleven years ago the Executive Director of the Inter-church Council, Rev. Sydney Adams passed away. Pessimistically, we thought the void left by his death would never be filled. We were wrong. Within a year he had been replaced by Reverend Lawrence van Heerden, a brilliant, dynamic minister who had spent the first twenty years of his life growing up with apartheid in South Africa. In New Bedford he provided the council with exciting new leadership.

His in-depth understanding of the problems facing churches. people and communities was coupled with a rich sense of humor. Stimulated by his boundless energy, the council became involved with a variety of socially relevant programs including the Parent Child Center, Liberty Place, Brock Avenue Housing Development. Inter-Faith Counseling Center and many others. For those fortunate enough to enjoy his close friendship, there was another side. He brought his warm, caring nature and keen intellect to bear on all sorts of social, religious and personal issues as we sought to find the perfect blend of ever expanding personal relationships, a caring love and social responsibility. Most important to me was his ability to "stay the course" -- to keep his independence of thought while encouraging others to express and reformulate theirs.

Emerson described him when he wrote, "It is easy in solitude to live after your own; BUT the GREAT man is he who in the midst of the crowd keeps with perfect sweetness the independence of solitude". Van's untimely death emphasizes, once again, the transient nature of life, yet reminds us of what can be accomplished in a very short time.

Music at the Meetinghouse

The first free "Music at the Meetinghouse" concert of the 1991 season will take place Saturday, June 29th, at 7:00 p.m. at the Long Plain Friends Meetinghouse, 1341 Main Street, Acushnet. Featured will be Gilly Correia's Jazz in Session, and, as usual, refreshments will be served during the intermission.

Sponsored jointly by Acushnet Citizens Together Improving Our Neighborhood (ACTION), well-known civic watchdog group, and the Friends of the Friends Meetinghouse, a volunteer group formed to support the restoration of the 1759 Quaker Meetinghouse, this is the fourth season of the popular free summer series. The meetinghouse is the only Acushnet building listed on the U.S. Department of Interior's National Register of Historic Places.

This performance is courtesy of the Greater New Bedford Association of Musicians (Local 214), and was funded by a Massachusetts Cultural Council grant through the Acushnet Arts Lottery Council.

The second concert in the series, to be funded through the generosity of Carolyn and Stephen Gilmore, will feature Harry Andrade and the Aristocrats in an evening of musical nostalgia and will take place on Saturday, July 27th, at 7:00 p.m. at the same location.

The third and last concert of the season, on Saturday, August 24th, same time and place, will be performed by the ever-popular Harpoon Harmonizers, award-winning barbershop group, and is funded through the generosity of the Ashley Orchards.

The music, as well as the refreshments at intermission, are provided free as a public service by the sponsoring organizations. The public is reminded to bring a chair and/or blanket.

Heritage Concert Series

For the third year New Bedford will see the magic of families gathered in the garden of the Rotch-Jones-Duff House and Garden Museum to enjoy warm summer evenings of music. In what has become a summer tradition, Alan and Helene Korolenko of Barrel of Music productions will present seven evening concerts (six Friday performances and a Saturday Finale) which will bring to the garden the music of France, Canada, England, Scotland and the United States. Lauded in past years as "the best music series in Massachusetts, "a Gem", and a "dream come true", this year's summer season of concerts promises to be the best yet. The Museum encourages one and all to bring children, lawn chairs, picnics and blankets and enjoy the 1991 New Bedford Heritage Concerts.

This year the Museum is offering Box Suppers from Jeggrey's Cafe for $7.00 per person. They must be ordered by 4:00 p.m. the Thursday or Friday before the concerts. Each concert begins at 7:00 p.m. (gates open at 6:30 p.m.). Admission is $4.00 per person , $2.00 for members, and $1.00 for children under 12 years and senior citizens. For further information call 997-1401 days and 673-8523 evenings and weekends.

The first concert is Friday, June 28th, and will feature an extraordinary group

Boychoir at Heritage

The All Saints Ashmont BoyChoir will perform at Heritage Plantation on Sunday, June 23rd, at 2:00 p.m. on the Outdoor Concert Green.

The BoyChoir is a parish church choir that closely resembles the style and sound of the great English cathedral choirs, where the uppermost musical line, the soprano part or treble is given to boy singers. All of the boys in the Choir live in the urban neighborhoods of All Saints' Church, Dorchester and Mattapan. The choir sings each Sunday at Solemn Mass and rehearses three times weekly. It participates in programs organized in this country by the Royal School of Church Music, Croydon, England.

In recent seasons it has expanded into a wider scope of extra-parochial activities with concerts sponsored by the Dedham Choral Society, commercial "jingles" for New England Telephone, featured segments of "Morning Edition" and "All Things Considered"

on National Public Radio. The BoyChoir was featured at ArtSmart, the festival of the arts at the Wang Center and appeared with the popular rock ensemble "The New Kids on the Block" (two of its members are choir alumni). The All Saints Ashmont Boy-Choir opened the 1990 season of live performances on "Morning Pro Musica (WGBH) and sang for the Camille Crosby "World of Children" Awards at the Judge Baker Center.

The choir's musical repertory spans a wide range of traditional styles -- from religious masterpieces of Byrd, Bach and Mozart to music of Stephen Foster, Stravinsky and Britten; representative selections from Broadway musicals, spirituals, and some interesting examples of "rap".

Joseph and Phoebe Payne of Boston are Co-Directors of the choir. Mr. Payne is the Organist and Choirmaster, while Mrs. Payne is an accomplished pianist and cellist.

The concert has been funded in full by a generous grant from New England Telephone Company.

Please bring a lawn chair or blanket as the Museum does not supply chairs for its concerts. For more information please call 888-3300.

Tickets for this concert are good for the day as well as all grounds and exhibits at Heritage Plantation.

Sunday morning is a good time to enjoy breakfast on the island, meet old friends and get acquainted with new people. We have a varied menu, something for most everyone, and open to all.

"Life in the Pond"

On Sunday, June 23rd, from 1:30 to 3:30 p.m. the Lloyd Center for Environmental Studies is offering a guided nature walk entitled "Life in the Pond" in which participants will learn about the dynamics of fresh water ponds. Led by Sandra Ryack-Bell, an Environmental Consultant and wetlands specialist, participants will explore the micro and macro aspects of fresh water ponds right here on the Lloyd Center's grounds. Ms. Ryack-Bell will provide background information, personalized instruction as well as hands-on collection and experimentation as you explore the wetland.

Fees for "Life in the Pond" are $3. for Lloyd Center members, $5. for non-members, and $1. for children under 12. This fun and educational walk is designed for all ages and should be a productive way to spend time near the water. For more information contact the Lloyd Center at 990-0505.

Slocum River Canoe Trip

Join the Lloyd Center on Saturday, June 29th, on an all-day canoe trip as we explore the Slocum River. Although the Slocum River can be challenging to the novice, participants can learn canoeing skills or improve on their present skills as we explore one of the most beautiful rivers and estuary in southeastern New England.

The Lloyd Center's education and research staff will investigate and explain the natural history of the Slocum as you enjoy the outdoors in a small group with experienced leaders.

Fairgoers will certainly find pleasure with the wide variety of crafts. Some unusual offerings include wind chimes, clothespin dolls, clay jewelry, shell crafts, bird feeders and leather crafts.

Food booths will serve traditional baked goods, cotton candy, hamburgers and hot dogs and seafood, as well as ethnic fare -- Polish specialities, Portuguese cacoila and linguica, Japanese food and Greek pastry.

The Unitarian Church Students Assistants' Group will be selling coffee and donuts at the Harrop Center.

Many Fairhaven organizations and churches will be represented at the fair. Area banks will distribute balloons and paint children's faces. There will be games for children on the grounds and fire engine rides.

About 170 exhibitors will spread across the center of town. There will be entertainment including folk music, sea chanties, Dixieland jazz and a performance given by the Greater Providence Community Chorale.

"Poetry in the Garden"

AT ROTCH-JONES-DUFF HOUSE

Every other Tuesday evening, beginning on June 25th and continuing throughout the summer at 7:30 p.m. there will be an open poetry reading sign-up at 7:00 p.m.

"Poetry in the Garden" is a new series of open poetry reading which will be held under the terrace tent in the Garden of the Rotch-Jones-Duff Museum. The series will be under the direction of nationally-awarded poet Lewis Hammond Stone. All poets are invited to participate by registering at the Museum at 7:00 p.m. on the particular evening. The series is open to everyone and refreshments will be served after the readings.

A contribution of $3.00 is suggested.

Anne B. Brengle, Executive Director of the Rotch-Jones-Duff House and Garden Museum, with the assistance of Mr. Stone, has initiated the series of poetry readings.

"I felt there was a need for this sort of thing", commented Mrs. Brengle. "The open series of readings reaffirms the Rotch-

Jones-Duff's commitment to the arts and artists in this community. When Mr. Stone first proposed the idea of the series to me I knew it would be a terrific way to allow local poets to exhibit their work and to prove that poetry has a place in New Bedford."

Mr. Stone, in collaboration with the Rotch-Jones-Duff Museum, has been awarded a grant from the Massachusetts Cultural Council, entitled "LOOKING THROUGH AN IMMIGRANT'S EYES - Poetry and Prose in the New Bedford Area", which will take place in the Fall.

"This will be an exciting series, and I hope the beautiful gardens and grounds of the Rotch-Jones-Duff Museum will inspire all the participants", said Mrs. Brengle.

Bonanza for Book Lovers

BOOK SALE

A bonanza for book lovers is scheduled for June 22nd in South Dartmouth. On that one day, between 9 a.m. and 4 p.m., thousands of books will be offered for sale at irresistible prices - 25¢ and 10¢; twenty-five cents for a good, clean (previously owned) book with a hard cover, or ten cents for a soft-covered; Incredible but true, these are trying times when sacrifices are becoming commonplace.

Friends of the Dartmouth Libraries are making this rare, off-season offer as part of their effort to help ease the fiscal pinch affecting the town's library system. The event will take place on the ground-level floor of Southworth Library, 732 Dartmouth Street, South Dartmouth.

Earlier this year a 3-day book sale at the same location proved to be very popular and an unprecedented success; the eager public purchased thousands of books

at the nominal rates of 50 and 25 cents. Despite the great number sold still more thousands remained in inventory, untouched, unseen. This reserve supply constitutes the lot being currently offered at cut rates. They are in no way undesirable or picked-over leftovers. Under scrutiny by Roberta Sawyer, veteran director of used book sales, all titles with less than unquestioned popular appeal for whatever reason, have been culled. Every book offered at this sale is in good to excellent condition, and all have been sorted into various categories for the buyer's ease in finding the types sought after.

The Friends are volunteers in a non-profit organization dedicated to enhancing the quality and variety of services offered by the town's libraries and to the sponsorship of free cultural programs for the area public. Anyone wishing to assist is cordially invited to join; annual dues are $3.00 for a single or $5.00 for a family membership. For more information call 636-2215.

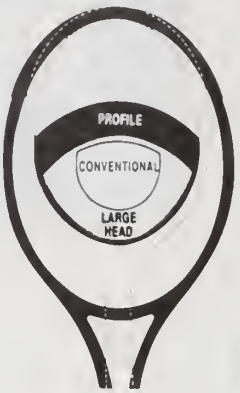
HAMMER SYSTEM

The Search for the Perfect Sweet Spot

When you hit it, you get that "just right" feeling of explosive power and incredible control.

In most conventional rackets the sweet spot is relatively small ... but Wilson improved on the striking area with large head rackets and then "Profile" rackets .. and now brings you a fantastic breakthrough.

The search for the perfect sweet spot is over.



The Hammer Advantage

The Hammer System Revolutionary Dual Taper Beam geometry A breakthrough weighting system. Combined to deliver the largest, highest sweet spot ever

Now you can get Profile power and control in a racket that's 20% lighter than conventional frames. And, best of all, the remarkable Hammer Weighting System dramatically reduces shock and vibration. Maximum mobility. Superior playability No racket in the world can touch it.

The Profile Hammer System. Lab-tested. Court-proven. Experience the striking difference and hammer your opponent.

The Next Racket Revolution . . . a Breakthrough Weighting System

Wilson found that by dramatically reducing mass from the handle, and maintaining weight in the head, a racket's sweet spot can be maximized like never before

The entire striking surface becomes energized for unparalleled frame-to-frame playability Mis-hits are virtually impossible.

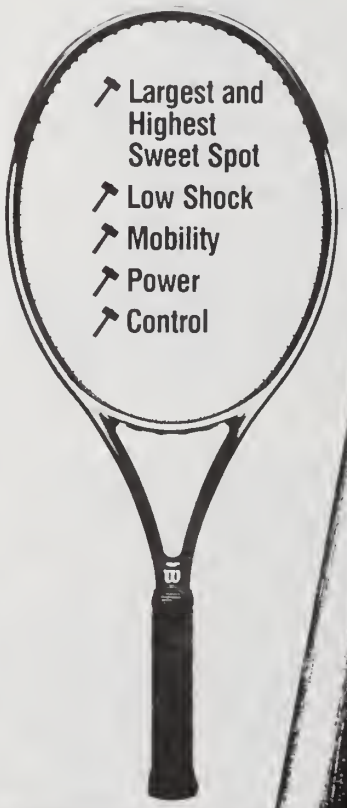
You have to *feel* it to believe it. When you hold Wilson's new racket by the handle, you'll feel the swing weight of a standard lightweight racket. Yet when you hold it by the head, it feels like nothing's there. It's a complete departure from traditionally balanced rackets. In fact, it's like hitting the ball with a hammer

Raising the Sweet Spot to New Heights

Introducing the Profile Hammer System Racket The revolutionary Hammer Weighting System is the first technology ever developed that raises and extends the sweet spot into the top part of the racket face. Where it's needed most. It's this state-of-the-art technology that gives the Hammer System Racket the largest sweet spot ever

The key is the center of percussion, the racket's point of zero-shock and the center of the sweet spot. The Hammer System actually *shifts* the center of percussion upward. So the point of zero-shock is now where most balls are hit, significantly reducing shock on impact.

Now you can play the first and only racket in the world that's sweeter where you hit the ball. And where other rackets are least effective.



Hammer System Sweet Spot Explosion

As the Center of Percussion (CP) shifts upward, the sweet spot is raised to new heights.
